**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

All the big carriers just interested in continuing raising rates without offering any real services. Big business wants to control the market. Looks like they are already in the FCC pocket with the latest net neutrality rulings. It's just not right to screw over consumers cramming unusable services so big carriers reap all the money for hard working folks.
